

Prescription For Daily Living

Begin your day with a prayer.

Ask the Lord to be with you at home, work and everywhere.

Spend your day helping others in every way that you can.

Ask the Lord to order your steps as he does for the Good Man.

Point your steps in the right direction, and your conduct the same.

Everything that you do through-out the day, do in Jesus' name.

When trials and tribulations seem to overwhelm you through-out the day,

Remember, "the joy of the Lord is your strength", and go on your way.

When your day comes to a close and you sit down to rest.

Thank the Lord for the opportunity that you had to do your best.

Before you close your eyes in slumber, look up toward heaven and say;

Thank you Heavenly Father for **One More Sunny Day!**
